# AMERICAN HERO SCHOLARSHIP to Camp CHOF

Dear Friend,

Winter may be upon us, but each new day brings us closer to Camp CHOF's 48th summer in operation. Preparations are being made to ensure a great experience for campers in the coming summer! And we want to offer that experience to your family! We cannot express enough our appreciation to you for all the sacrifices you have made protecting us and our country's freedom every day. It is our prayer you'll consider the benefits Camp CHOF can provide to the lives of your children. Camp CHOF is 40+ acres of well maintained campgrounds that house an olympic sized swimming pool/ water slide, climbing wall/ziplines, paintball, challenge course, go-karts, ball fields, archery and much more!

WE HAVE A NEW SCHOLARSHIP TO OFFER. With the closing of 2016, we as a church and a camp have been burdened to reach out to those who serve and protect locally, for whom we support and pray for regularly. We are opening up a new scholarship program that will award children of CURRENT FULL TIME Police Officers, Firefighters, and First Response Personnel (EMT/Paramedics) a FREE WEEK OF CAMP! We are also once again offering a FREE WEEK AT CAMP CHOF to the children of military families whose parents or siblings are currently serving or who have served in a branch of the U.S. Military since 2003. You as a parent have the option of sending your child/children (ages 5-18) to any one of our Resident or Day Camp Weeks- free of charge. Each child is encouraged to bring one friend each with him/her to share the experience. If your child's friend is from a non-military family and plans to attend Resident Camp, they will only pay the \$50 deposit fee or \$25 if they plan to attend Day Camp. The friend must fit the same age criteria for the camp week that your child will be attending. If your child is bringing a friend to attend Camp CHOF with him/her, your child and your child's friend should be registered at the same time to ensure they both make the cut since there is limited space - first come, first served. A friend's registration will not be guaranteed until your child is registered. Once we reach our limit, your child and/or your child's friend will be placed on a waiting list for a possible opening. Please visit our website at [campchof.org](http://campchof.org) to locate the Registration Packets for detailed information about our Resident Camp or Day Camp Programs. You can also like us on Facebook to keep up to speed on all that is happening at Camp CHOF.

Beginning February 1, 2017, online registration will be available for your convenience. Go to our camp website and click on "Summer Camp" under either the "Resident Camp" or "Day Camp" box, select "register online," and follow the prompts. If you have any questions or wish to request a Registration Packet be mailed to you, please contact the Camp Ministry Assistant at [offices@campchof.org](mailto:offices@campchof.org) or call 330/477-6267 x126.

Again, we thank you for your service and protection to our country, state, county, township and city, and we count it an honor to be able to offer this small token of our appreciation. We uphold you, and all of our American Hero personnel, in our prayers.
