

RISFAC

Regional Inter-Service Family Assistance Committee

January's meeting began at 1830 with Welcoming remarks by Heather Smith, TFAC Region 6 followed by Ohio Military Kids update on transitions and finalizing upcoming events by Angela Dyer, TFAC Coordinator. August 6 – 12 is one of the kids' camps at Kelly's Island. The purpose of the RISFAC meetings was then discussed by Heather Smith for those attending for the first time. Individual introductions were then completed going around the room by groups in order for everyone to hear what each individual was representing and offering or needing. At this time Heather asked those who arrived late to sign in on the sign in sheet so no one was missed in case the need arose for connection for a military family or other community partner. At approximately 1930 the meeting portion was concluded and participants were invited to go through the room gathering information from one another, making helpful connections and resources.

Holiday Adoptions

The holidays can bring added financial and emotional stress to those who don't have extra income for gifts. Your generous support to our Adopt a Family program helped relieve the stress of the holidays for Service Members and their Families. Your generosity provided affirmation to our Service Members that they are not alone and that people, such as yourself, care about them and their children.
